

# New HP42" Shingle Format Stomps The Competition.

Features	Atlas HP42"	Other Leading Shingle Brands
Shingle Size	New Wide Format 42" x 14"	39 <sup>3</sup> / <sub>8</sub> " x 13 <sup>1</sup> / <sub>4</sub> "
Exposure	Easy To Measure 6"	5 <sup>5</sup> / <sub>8</sub> "
Wind Coverage	High Performance 130 mph Wind Limited Warranty	110 mph Wind Limited Warranty
Nailing Area	Enhanced 1 <sup>1</sup> / <sub>2</sub> " Sweet Spot™ Nailing Area	Faint Chalk Line

## Save Nails

Fewer nails and less material waste.

On a 40 square job:

**6,400**  
fewer  
nails

&

Up to  
**\$40**  
in savings

On a  
130 mph  
Wind Limited  
Warranty install

## Save Labor

On average, 8 fewer shingles per square.

On a 40 square job:

**320**  
fewer  
shingles  
to install

## Save Time

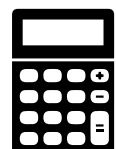

Get off the roof faster!

On a 40 square job:

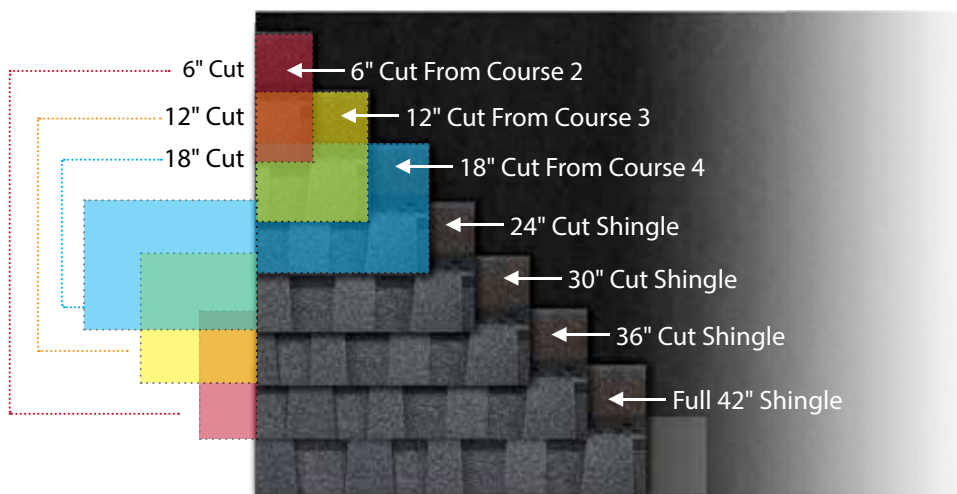

**2-4**  
hours  
less

\* Comparison based on 40-square job. \*Average 21 shingles/bundle of other leading shingle brands; 320 shingles is the equivalent of 5 squares of material. Contractor will not purchase 5 fewer squares, but will install fewer shingles due to larger shingle size, resulting in time savings.

# Take Your Roofing To New Heights.

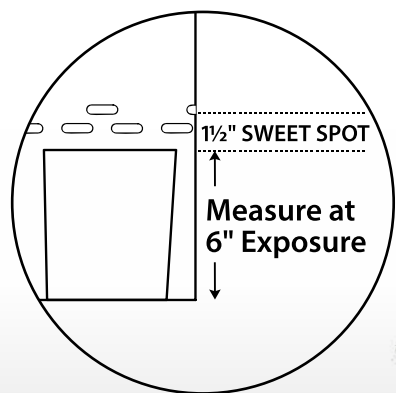

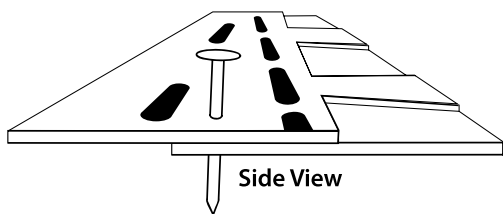

## Zero Waste 6" Offset

The seven course, 6" offset with a larger 6" exposure, means a faster install, quicker clean up, less waste and cost savings.

## Never Miss Your Mark.

Enhanced 1½" Sweet Spot nailing area with 6" exposure helps you stay accurate and saves time.

**After 15 courses of Atlas, you've saved an entire course compared to other leading shingle brands.**
