## Atlas Shingles Featuring Scotchgard Protector & Insurance Claims

This is to confirm that Atlas shingles featuring Scotchgard Protector must be used in conjunction with the Atlas Pro-Cut Hip & Ridge featuring Scotchgard Protector and are the only hip and ridge shingles that can be installed that will not void the Atlas Scotchgard Warranty. Atlas does not warrant the Scotchgard Protector for its Pinnacle Pristine, StormMaster Slate and StormMaster Shake shingles with the use of any other competitive hip & ridge shingle or strip shingle.

Atlas's Limited Warranty on Roofing Shingles is valid within the terms and conditions stated in the written warranty document. Please refer to the printed Atlas Limited Warranty for full warranty coverage and provisions against manufacturing defects.
