Miami-Dade County Product Control Approved

For maximum protection and warranty coverage, install an Atlas Signature Select[®] Roofing System with components designed and backed by an Atlas warranty.

SAFETY, STORAGE, AND HANDLING

WARNING: Roofing application can be dangerous. Observe all precautions and safety guidelines in accordance with proper roofing trade practices. Minimize roof traffic. Perform regular roof maintenance in appropriate weather.

IMPORTANT PRECAUTIONS: Store on a flat surface. Protect from weather during storage and on the job site. Sealant protection tape is placed on the back of each shingle and does not have to be removed before applying.

For additional safety, storage, and handling instructions go to: AtlasRoofing.com/roof-shingles/sds

INSTALLATION AND SPECIFICATIONS

For warranty installation instructions go to: AtlasRoofing.com/roof-shingles/prolam-shingles

For detailed installation and complete 3-part specifications go to: AtlasRoofing.com/roof-shingles/specifications

Atlas Roofing Corporation (ATLAS) warrants to you, the original owner of its shingle products, that this product is free from any manufacturing defects that materially affect the performance of your shingle during the Premium Protection Period or that cause leaks for the balance of the applicable warranty period.

* Refer to the Atlas Roofing Limited Shingle Warranty for all coverage requirements.

LIFETIME
limited warranty

Comprehensive warranty coverage for damage from high winds and manufacturer defects.

130MPH
wind resistance

Beauty meets protection with the help of the Atlas 130 mph Wind Limited Warranty*.

CLASS 3
impact resistance

UL 2218 Class 3 impact resistance rating offers protection against harsh weather conditions, keeping your home safe and secure.

HP42[®]
technology

These bigger 42" shingles mean a faster install, quicker clean up and less waste - plus big savings on materials and labor.

ARS
algae resistance

Maintain the roof's appearance for years by resisting the ugly black streaks caused by algae.

To provide homeowners the most accurate representation of color options, several photo scans and house shots were utilized in various lighting conditions. Variations in lighting illustrate the color gradients on asphalt shingle roofs.

Color blends vary from shingle to shingle. Before installation, consult with your contractor and request to view the actual shingles being installed on your roof to ensure confidence in your final color selection.
